

**MPA Student Membership partners with Music Gateway  
for a *Game Changer* package worth £199  
FREE to all student members**

As part of the MPA's Student Membership students are given free access to Music Gateway's ***Game Changer*** package, normally worth £199.

Music Gateway is a global music industry online community. It provides opportunities in sync licensing and music promotion and strives to empower creatives alongside a myriad of other services. It is also a great storage facility giving songwriters and industry professionals the ability to catalogue and distribute their music.

You can view all the benefits included in the MPA Student Membership below:

- Access to music industry jobs and creative work internationally.
- Catalogue management system for your music (up to 50GB).
- Access to the creative marketplace where you can connect and collaborate (source songwriters as publishers, and/or collaborate with other songwriters).
- Monetise your music. Access to pitch music to TV, Film & Advertising placements – [click here to view some success stories here.](#)
- Feedback on music submissions - production quality or elements that need including, metadata management or even relevance to the brief and other best practices for pitching.
- B2B Industry Playlist Presentation - Curate professionally branded playlists to send to clients. This is B2B so not for commercial gain like Spotify. You have complete control over the download options, full contact information, metadata embed and more. Here's an example: <https://www.musicgateway.com/p/custom-link-goes-here>
- Opt in Sync Representation - they retain all their master and publishing rights and Music Gateway will take a 25% off any successful sync fee.
- Bulk file transfer of music
