

Coaching for Progress

Mentee call out!

The MPA and she said.so have joined forces to present **Coaching for Progress – a coaching/mentorship scheme targeting mid/senior level established music publishing executives on the verge of moving into senior leadership roles.**

Coaching for Progress aims to elevate our mentees through coaching and, as a result, diversify boardrooms. The programme has been designed to promote women into senior management positions because of historical discrimination that has led to male-dominated C-suites.

5 successful applicants will commence with the 4-month programme from March 2023 until July 2023.

The 5 successful applicants will be paired with a carefully chosen and well-suited mentor to coach them through the 4-month programme. Both mentee and coach will be provided with training and given handbooks to guide the relationship in order to get the most out of it.

If you fit the criteria below, please respond to our questionnaire in the link.

- A minimum of 2 years experience in music publishing including sync, A&R, copyright, sampling, business affairs;
- Protected characteristics: people representing age, disability, gender reassignment (being an individual who is 'proposing to undergo, is undergoing or has undergone a process or part of a process to reassign their sex'), marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex (being a man or a woman), and sexual orientation (LGBTQIA+);
- Aim to step into a leadership role.

Please apply using [this link](#) by Wednesday 8th March.

You will be contacted if you have been selected to be part of our first cohort of Coaching for Progress by the MPA x shesaid.so.
